On behalf of the Business, Inspections, Housing & Zoning Committee, Goodman offered Resolution 2020R-256 authorizing the issuance of up to \$85,500,000 in tax-exempt revenue bonds by the City of Minneapolis and the Housing and Redevelopment Authority of the City of Saint Paul for Children's Health Care, a Minnesota nonprofit corporation providing health care services in Minneapolis and surrounding area.

The following is the complete text of the unpublished summarized resolution.

RESOLUTION 2020R-256

By Goodman

Authorizing the issuance and sale of revenue bonds of the City of Minneapolis and the Housing and Redevelopment Authority of the City of Saint Paul on behalf of Children's Health Care and the execution of documents.

Whereas, this Council has received a proposal from Children's Health Care, a Minnesota nonprofit corporation (the "Corporation"), that the City of Minneapolis (the "City"), acting jointly with the Housing and Redevelopment Authority of the City of Saint Paul, Minnesota (the "HRA," and together with the City, the "Issuer"), issue its revenue bonds (the "Bonds") under Minnesota Statutes, Sections 469.152 to 469.165 (the "Act"), in one or more series, for the purposes of financing (a) a portion of the costs of refunding all or a portion of the Issuer's outstanding Variable Rate Revenue Bonds (Children's Hospitals and Clinics of Minnesota), Series 2007A and (b) certain costs of issuance of the Bonds (together, the "Refunding"); and

Whereas, this Council hereby finds that the issuance and sale of up to \$85,500,000 aggregate principal amount of the Bonds in one or more series under the authority contained in the Act to finance the Refunding would promote the purposes contemplated and described in Section 469.152 of the Act and further promote the public purposes and legislative objectives of the Act by providing the City and surrounding area with necessary healthcare facilities, is in the best interest of the City, and the City hereby determines to issue and sell such Bonds jointly with the HRA; and

Whereas, in connection with the issuance of the Bonds, the City and the HRA propose to enter into a Joint Powers Agreement (the "Joint Powers Agreement"), a draft of which has been made available to the Council prior to this meeting and which has been reviewed to the extent deemed necessary; and

Whereas, the proceeds of the Bonds will be lent by the Issuer to the Corporation (the "Loan") for the purposes described hereinabove; and

Whereas, pursuant to one or more Loan Agreements for each series of Bonds (each a "Loan Agreement"), to be entered into between the City, the HRA and the Corporation, drafts of which have been made available to the Council prior to this meeting and which have been reviewed to the extent deemed necessary, the Corporation will issue to the Issuer a Master Note with respect to each series of Bonds (the "Notes"). The Notes will be issued under the Master Trust Indenture dated as of September 1, 1995, by and among the Corporation and U.S. Bank National Association, as master trustee (the "Master Trustee"), as supplemented by one or more Supplemental Master Indentures (whether one or more, a "Supplemental Indenture") by and between the Corporation and the Master Trustee (as supplemented, the "Master Indenture"). Under the Note with respect to each series of Bonds, the Corporation will unconditionally agree to repay the Loan made by the Issuer under the Loan Agreement with respect to such series of Bonds in specified amounts and at specified times sufficient to make the necessary

payments of principal of, premium, if any, and interest on the Bonds of such series when due. In addition, the Loan Agreement with respect to such series of Bonds contains provisions relating to the payment by the Corporation of administrative costs of the Bond Trustee (as hereinafter defined), the administrative fee of the City and of the HRA with respect to such series of Bonds, indemnification, insurance and other agreements and covenants which are required by the Act or which are permitted by the Act and which the Issuer and the Corporation deem necessary or desirable for the sale of such Bonds; and

Whereas, pursuant to one or more Trust Indentures for each series of Bonds (each a “Bond Indenture”) to be entered into between the City, the HRA and U.S. Bank National Association, as Trustee (the “Bond Trustee”), drafts of which have been made available to the Council prior to this meeting and which have been reviewed to the extent deemed necessary, the City assigns and pledges all of its right, title and interest in the Loan Agreement with respect to such Bonds (other than the rights specifically retained by the Issuer including, but not limited to, indemnification and administrative fees and expenses), the Note with respect to such series of Bonds, the Master Indenture and the Supplemental Indentures to the Bond Trustee. In addition, the Bond Indenture for each series of Bonds, among other things, sets the interest rates, maturity dates and redemption provisions for such series of Bonds, establishes the various funds and accounts for the deposit and transfer of money and contains other provisions which are required by the Act or which are permitted by the Act and which the Issuer and the Corporation deem necessary or desirable in connection with the sale of such series of Bonds; and

Whereas, the Bonds will be special limited obligations of the Issuer payable solely from amounts payable under the Notes by the Corporation and other members of the Obligated Group under the Master Indenture, other than to the extent payable from the proceeds of the Bonds. The Bonds shall not be payable from or charged upon any funds other than the revenue pledged to the payment thereof, nor shall the City or the HRA be subject to any liability thereon. No holder or holders of any Bond shall ever have the right to compel any exercise of the taxing power of the City or the HRA to pay any such Bond or the interest thereon, nor to enforce payment thereof against any property of the City or the HRA except the Obligations. The Bonds shall not constitute a debt of the City or the HRA within the meaning of any charter, constitutional or statutory limitation; and

Whereas, the Bonds will be purchased from the Issuer by Old National Bank (the “Purchaser”) at a price equal to the principal amount thereof;

Now, Therefore, Be It Resolved by The City Council of The City of Minneapolis:

That in order to finance the Refunding, the City hereby authorizes the issuance of the Bonds as revenue bonds under the Act in one or more series, in the aggregate principal amount of up to \$85,500,000. The City Finance Officer is hereby authorized to approve the aggregate principal amount of the Bonds, provided that such principal amount is not in excess of \$85,500,000; the maturity schedule of the Bonds, provided that the Bonds mature at any time or times in such amount or amounts not exceeding 40 years from the date of issuance thereof; the provisions for prepayment and redemption of the Bonds prior to their stated maturity; and the interest rates for any series of Bonds, provided that no initial interest rate exceeds 3.00% per annum. Such approval shall be conclusively evidenced by the execution of the Bond Documents as provided herein.

Be It Further Resolved that each Bond, as initially issued, shall be executed on behalf of the City by the manual or facsimile signature of the City Finance Officer. The Bonds when executed and delivered shall contain a recital that they are issued pursuant to the Act. U.S. Bank National Association is hereby

designated as authenticating agent pursuant to Minnesota Statutes, Section 475.55. If any officer who shall have signed any of the Bonds shall cease to be an officer of the City before the Bonds so signed shall have been actually authenticated by the Trustee or delivered by the City, such Bonds nevertheless may be authenticated, issued and delivered with the same force and effect as though the person who signed such Bonds had not ceased to be such officer of the City.

Be It Further Resolved that the Joint Powers Agreement, the Bond Indenture and the Loan Agreement (the “Bond Documents”) are hereby made a part of this Resolution as fully as though set forth in full herein and are hereby approved in the form made available prior to this meeting, and the City Finance Officer is hereby authorized and directed to execute, acknowledge and deliver the Bond Documents on behalf of the City with such changes, insertions and omissions therein as do not change the substance of such documents and as may be approved by the City Finance Officer, such approval to be evidenced conclusively by his execution of the documents named herein.

Be It Further Resolved that the City Finance Officer is hereby authorized and directed to execute and deliver all other documents which may be required under the terms of the Bond Documents, and to take such other action as may be required or appropriate for the performance of the duties imposed thereby or to carry out the purposes thereof.

Be It Further Resolved that in the absence or disability of the City Finance Officer, the Assistant City Finance Officer or such other officer of the City as, in the opinion of the City Attorney, may act on his behalf, may execute such instrument. The execution of any instrument by an officer of the City shall be conclusive evidence of its approval.

Be It Further Resolved that on any subsequent date, the City Finance Officer is authorized to execute and deliver any amendments or supplements to any of the Bond Indentures or Loan Agreements if, after review by and in consultation with the City Attorney and Bond Counsel, the City Finance Officer determines that the execution and delivery of such amendments or supplements is not materially inconsistent with this Resolution. The City Finance Officer may impose any terms or conditions on his execution and delivery of any such amendment or supplement as the City Finance Officer deems appropriate.

Be It Further Resolved that the City Finance Officer is hereby designated for all purposes of the Bond Documents as the City official authorized to execute on behalf of the City certificates, requests or consents as provided in the Bond Documents.

Be It Further Resolved that of the administrative fee of the City and of the HRA with respect to the Bonds, 50% of such amount shall be paid to the City and 50% of such amount shall be paid to the HRA.

Be It Further Resolved that the Bonds are hereby designated “Program Bonds” and are determined to be within the “Health Care Program” and the “Program”, all as defined in Resolution 88R-021 of the City adopted January 29, 1988, and as amended by Resolution 97R-402 of the City adopted December 12, 1997.

Be It Further Resolved that this resolution shall take effect upon publication.

The following is the complete text of the unpublished summarized ordinance.

ORDINANCE 2020-053

By Johnson

Intro & 1st Reading: 2/14/2020

Ref to: PECE, PHS

2nd Reading: 10/2/2020

Amending Title 10 of the Minneapolis Code of Ordinances relating to Food Code.

The City Council of the City of Minneapolis do ordain as follows:

Section 1. That Section 186.30 contained in Chapter 186, In General, be amended to read as follows:

186.30. More restrictive standards to apply. Where the conditions imposed by any provision of the food code are either more restrictive or less restrictive than comparable conditions imposed by the Minnesota Food Code, or any other law, statute, rule, resolution, ordinance, or regulation of any kind, the regulations which are more restrictive or which impose higher standards or requirements shall govern, to the extent permitted by law, contract or delegation agreement between governmental jurisdictions.

Section 2. That Section 186.50 contained in Chapter 186, In General, be amended by adding thereto a new definition for “food catering” in alphabetical sequence to read as follows:

186.50 – Definitions. All terms used in this title, unless expressly defined in this section, shall be interpreted as defined in the Minnesota Food Code, part 4626.0020, as they may be amended from time to time. In addition, the following terms shall have the following meanings:

Food catering means food that is prepared for service in support of an event with a predetermined guest list such as a reception, party, luncheon, conference, ceremony, or trade show. A food establishment conducting catering is responsible for maintaining control of and ensuring the safety of the food from preparation to service to the consumer. Retail sale of individual meals is prohibited except that an organization may contract with a licensed caterer to provide meals to its employees, tenants and guests. The food service area must be restricted to employees, tenants and guests, and may not be open to or serve the general public. The food must not be cooked or prepared on site and temporary handwashing shall be provided in the food service area. If food is served and/or reusable utensils are used, a catering license is required. He has been instrumental in securing funds and appropriations that ensure the advancement of, and protections to, essential programs for our communities, such as MinnesotaCare, childcare assistance, housing assistance programs, mental health treatment programs, opiate epidemic response, foster care and child welfare programs, Minnesota Family Investment Program (MFIP), youth programs, drug assistance programs for people living with HIV/AIDS, and many others; and

Whereas, Senator Hayden has served in an important leadership capacity at the legislature, first elected the Deputy Majority Leader and then the Assistant Minority Leader by his DFL colleagues in the Senate and is a Founding Member of the People of Color and Indigenous (POCI) Caucus, a leader in working to eliminate racial disparities and representing the needs of our most marginalized communities; and

Whereas, in his leadership positions, Senator Hayden has forged partnerships on both sides of the aisle, garnering Senate support for critical bills such as the Minnesota African American Family Preservation Act, Taylor Hayden Gun Violence Prevention Act, and passing the state's first minimum wage increase in over a decade; and

Whereas, Senator Hayden has a legacy of pushing for systemic and meaningful change to address racism in our criminal justice system, sponsoring numerous bills aimed at improving police policy and safe interactions with the public, such areas as use of force, residency requirement for officers, critical incident review process for officer involved shootings, autism training, mental illness crisis training, use of crowd control weapons, as well as other criminal justice reforms related to right to vote restoration upon release from incarceration, restricting use of bail contingencies and promoting release, among other transformative proposals; and

Whereas, Senator Hayden, along with Andrea Jenkins, David Rubedor, Elfric Porte, Tiffany Green, Deborah Watts, and Lea Hargett, created the MN Renaissance Initiative to begin work on revitalizing 38th Street and Chicago Avenue, dubbed "Soul of the City," resulting in the 38th and Chicago Small Area Plan which was later adopted by the City of Minneapolis; and

Whereas, Senator Hayden, along with Andrea Jenkins and several others, co-founded Hennepin Powderhorn Partners Neighborhood social service delivery model at 12th Avenue and Lake Street. There, they developed a comprehensive, wrap around, community-based support network for families receiving social services through Hennepin County. That model eventually became the primary mode of service delivery throughout Hennepin County; and

Whereas, Senator Hayden is a natural born leader who developed his pride for community service, learning the importance of advocacy from his family, including his father Peter Hayden, founder of Turning Point Inc., a culturally specific chemical dependency treatment center, and from his aunt Mary Merrill, who led the Minneapolis Park and Recreation Board as Superintendent and then subsequent board member; and

Whereas, prior to his career as an elected official, Senator Hayden served in City Hall as Senior Policy Aide for Council Member Gary Schiff and was a founding member of the City of Lakes Community Land Trust. He also served his community on the board of directors of the Bryant Neighborhood Association and was a past president of the Powderhorn Park Neighborhood Association, also as the Nonprofit Manager for Hearth Connection where he worked as an affordable housing advocate; and

Whereas, Senator Hayden remains a dedicated husband and father to his wife, Terri, and their two children in the Bryant Neighborhood, a historically Black area that has nurtured and produced many south Minneapolis civic leaders, such as Mayor Sharon Sayles Belton, Judge Pamela Alexander, Judge LaJune Lange, Judge Tanya Bransford, Dr. Richard Green, Hennepin County Commissioner Angela Conley, and City Council Vice President Andrea Jenkins;

Now, Therefore, Be It Resolved by The City Council of The City of Minneapolis:

That the Mayor and City Council do hereby recognize and honor Senator Jeff Hayden for his dedication and tireless work on behalf of our state, city, and our communities, with deep gratitude.
